

TUITION AND FEES

STUDENT FEES

All tuition and fees at KCKCC are subject to approval and/or change by the Board of Trustees. Tuition at the College conforms with regulations established by the Kansas State Department of Education, authorized under the 1965 Community College Act and its amendments.

Tuition and fees are determined by course load and legal residence of students. All tuition and fees must be paid in full at the time of enrollment. The College reserves and extends its right to withhold copies of academic transcripts and/or refuse enrollment for students who have not satisfied all financial obligations at KCKCC.

Tuition and fees are determined by the KCKCC Board of Trustees and are subject to change. Money generated from fees is used to finance the Jewell Student Center, student activities on campus, scholarships, broadband access on campus, computer lab access and upgrades, transcripts, and excess graduation costs.

After enrolling in classes students are issued an I.D. card which entitles them to attend all athletic events, drama productions, and most student activities free of charge.

PAYMENT OF FINANCIAL OBLIGATIONS

Students are expected to make prompt payment of financial obligations, such as parking fines, library fines, graduation fees, special fees, and loans at the College. Students with unpaid accounts will have a hold placed on their records and are not allowed to enroll, cannot receive academic transcripts or diplomas, or have academic information released from the College until their outstanding accounts have been paid.

Tuition rates are subject to change as set by the Board of Trustees.

High School Kansas Student	\$80.00 per credit hour (no student fee)
Wyandotte County Resident	\$82.00 per credit hour (plus \$15 per credit hour course fee, plus \$75 course fee for most TEC courses)
In-State Kansas Resident	\$88.00 per credit hour (plus \$15 per credit hour course fee, plus \$75 course fee for most TEC courses)
Out-of-State Students	\$195.00 per credit hour (plus \$15 per credit hour course fee, plus \$75 course fee for most TEC courses)
Missouri Metro Residents	\$113 per credit hour (plus \$15 per credit hour course fee, plus \$75 course fee for most TEC courses)
Online Student	\$88.00 per credit hour (plus \$15 per credit hour course fee)
Technology Fee	In addition to the standard course fees, there is a technology fee for all students of \$7 per credit hour.

RESIDENCY DETERMINATION

Your residency, which is used to determine your tuition, is based on the residential address provided to Admissions. Your residential address on the first day of the term will be used when determining residency.

STATE RESIDENCY

Determination of residency is made in accordance with Kansas Statutes 71-406 and 71-407. A copy of these statutes is available from the Registrar's Office or the Learning Commons.

A student must be a resident of Kansas for six (6) consecutive months prior to the first day of the term in order to qualify for in-state tuition. **Living in a dormitory, fraternity, sorority, etc., in Kansas does not qualify for in-state tuition.**

In order to prove their residency, students will need to fill out the Affidavit of Residency form and provide three (3) of the following items.

- Receipt for purchase of Kansas license tags dated 6 months prior to the first day of the term.
- Receipt for payment of Kansas property taxes dated 6 months prior to the first day of the term.
- Employment verification or payroll check stubs from a Kansas employer or College attendance at an accredited Kansas Community College commencing dated 6 months prior to the first day of the term.
- Copy of voter registration in the State of Kansas dated 6 months prior to the first day of the term.
- Copy of Kansas driver's license dated 6 months prior to the first day of the term.
- Utility Receipts, Rent receipts, or verification from a Kansas resident that the student has resided with her/him/them for 6 -months prior to the first day of the term.

Per state statute, there are exceptions to the six-month residency requirement.

- Persons who are in active military service of the United States, regardless of residence.
- A veteran of the armed forces (or his/her dependent) who has established residence in Kansas but who does not meet the six-month residency requirement.
- Persons having special parental circumstances.
- House Bill – 2145
- Required job relocation
- Permanent Resident Cardholders

WYANDOTTE COUNTY RESIDENCY

Students must provide a valid Driver's License or State I.D. card with a current address AND one other original item from the list below to change residency from out-of-county or to in-county. The student's name, address and a current date must be printed on each item. The two items must demonstrate that the student lived in a Wyandotte County address for at least 30 days before the beginning of the start of the 16-week session. Residency adjustments will not be considered after the 20th Day.

Required:

Valid Driver's License, or State I.D. card or TVDL (Temporary Visitor Driver's License) with current address
AND

One of the following:

- Current lease (signed copy)
- Utility bills (electric, water, refuse, telephone land/cell, cable or gas) dated within a 30-day period.
- Insurance billing statement with address listed
- Current vehicle registration
- Current property tax bill
- Paycheck stub with address listed (dated within a 30-day period).

Students who are in the United States on a visa are considered to be in Kansas temporarily and are not eligible for in-state tuition regardless of current address.

For more information regarding residency, please contact the Registrar's Office.

REFUND OF TUITION AND FEES

To obtain a refund for tuition and fees, students must officially drop their class(es) within the time frames listed below. In case of a course cancellation or a class schedule revision made by the College, a 100 percent refund of tuition and fees is issued. Refunds are processed by the Business Office in approximately two weeks.

- **100% refund** for tuition and fees if classes are dropped before - but not on - the first day of the term. This includes semester, summer, 4 to 8 week, late starting, and mini-courses.
- **90% refund** for tuition and fees if classes are dropped within the first week of the term for full semester courses, summer courses, 4 to 8 week courses, and late starting courses.
- **50% refund** for tuition and fees if classes are dropped within the second week of the term for semester courses only.
- **100% refund** for mini-courses if students drop prior to the start of the first class period. No refund will be issued after the class begins.

Refunds are calculated based on the day the student officially drops a class, not when the student stops attending class.

If the student has received federal Title IV student financial aid during the term (Federal PELL, ACG or SEOG grants, Federal Stafford Loan, or a PLUS Loan), the student may be entitled to a pro rata or federal refund. Students who do not receive federal Title IV aid are not entitled to these refunds. Further information is available in the Financial Aid Office and Business Office.

Refund of Tuition Charges for Activated Military Personnel

It shall be the policy of Kansas City Kansas Community College that students serving in National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition fees if they withdraw or drop all classes. Students who are directed to report for active duty during an academic term shall also be entitled to receive a full refund of tuition and fees. All refunds may be contingent upon presentation of official documentation. Students who volunteer for military service may be subject to the institution's non-military refund policy.

Return of Title IV Funds/Institutional Refund Policy.

The regulations are concerned only with the amounts of Title IV aid a student received/could have received and earned. Nonfederal aid is not included in the calculation. First-time students are not treated differently from returning students. One calculation is used for all students who receive Title IV aid. Students whose Title IV aid consists only of Federal Work-study (FWS) earnings are not included in this calculation. This policy applies to students who did not successfully complete at least one course within a term, for which they received Title IV funding, through the end of their schedule for that term.

Refunds for these students are determined according to the following policy:

- These regulations are based on changes made by the Higher Education Amendments of 1998 (HEA98).
- The term "Title IV Funds" refers to the Federal Financial Aid programs authorized under the Higher Education Act of 1965 (as amended) and includes the following programs: Unsubsidized Federal Direct Loans, Subsidized Federal Direct Loans, Federal Direct PLUS Loans, Federal PELL Grants, and Federal SEOG.
- A student's withdrawal date is:
 - The date the student began the institution's withdrawal process or officially notified the institution of intent to withdraw; **OR**
 - The midpoint of the period for a student who leaves without notifying the institution; **OR**
 - The student's last date of attendance at a documented academically related activity.

Any notification of a withdrawal or cancellation and request for a refund should be in writing and addressed to the Registrar's Office.

Calculate Title IV Fund Return

There are six basic steps to the formula for calculating the amount of funds that must be returned to Title IV programs.

STEP 1- DATE OF WITHDRAWAL AND PERCENTAGE OF PERIOD STUDENT ATTENDED

If a student withdraws from a program measured in credit hours, the institution must calculate the percentage of the period completed, based on calendar days. Scheduled breaks of five consecutive days or longer are excluded from both the numerator and the denominator in the calculation, but weekend days are included. The final regulations clarify that a scheduled break encompasses all days between the last scheduled day of classes and the first day that classes resume.

STEP 2- CALCULATING THE AMOUNT OF TITLE IV AID EARNED BY THE STUDENT

The amount of Title IV aid earned by the student is determined by multiplying the percentage of the payment period completed by the total amount of Title IV aid disbursed, or that could have been disbursed. If the percentage of the payment period completed is more than 60 percent, the student has earned 100 percent of the aid. An institution would add up the total Title IV loan and grant assistance awarded to the student for the payment period (excluding FWS funds and the nonfederal share of funds for the FSEOG) and multiplies this dollar amount by the percentage of the period completed. If the student was subject to the 30-day delayed disbursement restriction for Stafford loans and withdrew during the first 30 days; no Stafford loan amounts could be disbursed and should not be counted.

STEP 3- COMPARING AMOUNT OF TITLE IV AID EARNED AND DISBURSED TO STUDENT

The institution compares actual funds disbursed and the total amount of Title IV financial assistance earned by the student at the time of withdrawal to determine whether the student is entitled to additional funds or if funds need to be returned to the Title IV programs.

STEP 4- IF AMOUNT EARNED BY THE STUDENT IS GREATER THAN THE AMOUNT DISBURSED

If the student earned more than the amount disbursed, then the student (or the student's parent if a PLUS loan is pending) is entitled to a "post-withdrawal disbursement" of funds up to the total amount earned. If there are outstanding current institutional charges, the institution may credit a post-withdrawal disbursement to the student's account under the terms of the cash management regulations. If loan funds are used, the institution must notify the borrower. If additional funds are available for disbursement beyond those credited to the account, the institution must notify the student (or parent borrower) that he or she is eligible for a post-withdrawal disbursement, provided the student meets the criteria. If the student earned more than the amount disbursed and is entitled to a post-withdrawal disbursement, the institution does not need to complete the rest of the calculation.

STEP 5- IF AMOUNT EARNED IS LESS THAN AMOUNT DISBURSED

If the amount earned by the student is less than the amount disbursed, funds must be returned to the Title IV programs. An institution is prohibited from making any additional disbursements to the student after it determines that the student has withdrawn if he or she has earned less than the amount disbursed. In some cases, where loan funds have been disbursed but grant funds have not, a student may be left with loan debt, instead of benefiting from grant aid.

STEP 6- RETURN OF TITLE IV FUNDS BY INSTITUTION AND STUDENT; TREATMENT OF LOANS AND GRANTS

If Title IV funds need to be returned, the institution has to return funds first. The institution must return the lesser of the unearned aid or the sum of the institutional charges multiplied by the percent of aid unearned. Then, if the amount that the institution is responsible for returning is less than the total amount of aid that needs to be returned, the student is responsible for the remainder.

The order in which funds are to be returned to the various Title IV funds is as outlined. Loans are generally repaid first, then grants. While institutions must return loan funds to the lender promptly, students may repay loans under the terms and conditions of the loans. This means that a student may choose whether or not to repay in full at the time of withdrawal, but for purposes of the calculation the amount owed counts as part of the student's share of repayment. As an allowance for some up-front costs, the student does not have to pay back 50 percent of any grant funds that he or she would otherwise be responsible for returning.

Title IV aid and all other aid is earned in a prorated manner on a per diem basis based on the calendar up to the 60% point

in the semester. Title IV aid and all other aid is viewed as 100% earned after that point in time.

If a student has received Federal Title IV student financial aid during the term (PELL, SEOG, Direct Loan, or a PLUS Loan), the student is entitled to a return of Title IV funds calculation. In accordance with federal regulations, when financial aid is involved, returns are allocated in the following order:

1. Unsubsidized Federal Direct Stafford loans
2. Subsidized Federal Direct Stafford Loans
3. Federal Perkins Loans
4. Federal Direct PLUS Loans
5. Federal PELL Grants
6. Federal SEOG
7. Other Title IV assistance

Return of Funds by KCKCC

KCKCC is not required to take attendance. A student's withdrawal date is the date the student submitted a withdrawal form with a Student Success Advisor or online; or the date that the instructor Administratively Withdrew the student. If a student withdraws without notification, the midpoint (50%) of the term is considered for return of Title IV Funds. This date may be used, or KCKCC may enter a last date of attendance at an academically related activity. The percentage of payment period or period of enrollment completed is determined by the number of calendar days completed in the payment period or period of enrollment divided by the total calendar days in the payment period or period of enrollment (excluding scheduled breaks of 5 days or more). If this amount is less than or equal to 60% (by rounding), then this percent is used for calculation. If this amount is 60% or greater (by rounding), then percent complete is 100%.

Return of Title IV Funds will be made in the order as required by law and regulations established by the United States Department of Education. Return of Title IV Funds will generally be made within 30 days of the student's withdrawal as determined.

Return of Funds by The Student

The student (or parent for a PLUS loan) must return unearned aid for which the student is responsible by repaying the funds to the following sources, in order as listed in Step 6, up to the total net amount disbursed from each source, after subtracting the amount the school will return. Amounts to be returned to grants are reduced by 50%. Loan amounts are returned in accordance with the terms of the promissory note. No further action is required other than notification to the holder of the loan of the student's withdrawal date.

Institutional and Student Responsibilities in regard to the return of Title IV funds include:

1. Institution's Responsibilities
 - a. Provide each student with the information given in this policy.
 - b. Identify students who are affected by this policy.
 - c. Complete the Return of Title IV funds calculation on those students.
2. Student's responsibility
 - a. Returning to the Title IV programs any funds that were disbursed directly to the student and which the student was determined to be ineligible for via the Return of Title IV Funds calculation.

The fees, procedures, and policies listed above supersede those published previously and are subject to change without notice.

GENERAL FEES

Transcript Fee

Kansas City Kansas Community College has authorized Parchment to manage the ordering, processing and secure delivery of student transcripts. Parchment allows students to send their KCKCC transcript either

electronically or through U.S. mail. Electronic transcript orders are generally processed within the same business day as submitted.

A fee of \$2.25 will be charged on the Parchment website for all electronic transcript destinations. The fee for transcript requests requiring paper delivery is \$4.75. Express mail delivery is available, and is subject to an additional \$30.00 process fee.

Both students who have academic credit at KCKCC before 1984 and students who attended the Kansas City, Kansas Area Technical School or Kansas City, Kansas Area Vocational Technical School during or before 2008 will need to request transcript copies using the manual transcript request form. Parchment cannot process delivery of those transcripts. Transcript requests must be signed, dated, and submitted in writing to the Registrar's Office. Phone requests are not accepted.

Transcripts are not released to students with financial or disciplinary holds on their records at KCKCC. Students who have access to their WebAdvisor™ portal and do not have holds on their accounts can retrieve an unofficial transcript.

Fees for Copies of Records

There will be a flat fee of \$25.00 for complying with legal requests.

Graduation Fee

All students completing graduation requirements are charged a \$20.00 graduation fee. This fee is required even if students do not participate in commencement. If students do not meet graduation requirements, they will be charged an \$8.00 fee for the succeeding application. An \$8.00 fee is required for orders of previously earned diplomas.

Special Class Fees

Certain courses in some programs have special fees. Current fees are listed on the KCKCC website and are available from the office of the Vice President for Academic Affairs. Check with the program coordinator before enrolling to verify any special course fees. Fees are subject to change.

FINANCIAL AID

GENERAL INFORMATION

The Student Financial Aid Office at KCKCC assists students in obtaining the necessary funding needed to attend college. Students who apply for assistance and meet eligibility requirements may receive one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Work-Study, Federal Direct Student Loan, State of Kansas scholarship or grant, and/or a KCKCC scholarship or performance grant.

Federal, state, and some institutional aid is awarded to students based on the results of the "Free Application for Federal Student Aid"- (FAFSA). Students must apply each academic year. The application is available online at www.fafsa.gov. Students should list Kansas City Kansas Community College (Code: 001925) as the college they plan to attend.

Information reported on the FAFSA is sent to the federal processor where eligibility is determined. The results are sent by the federal processor to KCKCC. After receiving eligibility information, the Financial Aid Office will send the student an award notice listing the amount of funds available from the various aid programs. Students must apply for admission to the College in order to receive a financial aid award. The FAFSA should be completed prior to April 1 to receive maximum funding.

ELIGIBILITY

In order to be eligible for federal financial aid, the student must:

1. Have a high school diploma or a General Education Development (GED) Certificate.
2. Be a U.S. citizen or eligible non-citizen.
3. Be registered with the Selective Service (if required).
4. Demonstrate financial need as determined by the results of the FAFSA Application.
5. Be working toward a degree or certificate at KCKCC.
6. Be making satisfactory academic progress (See *Satisfactory Progress Policy for Federal Student Aid Recipients*).
7. Not be in default of any federal student loan, or owe a refund of federal grant funds.
8. Eligibility must fall within the lifetime limits of the Federal Pell Grant and Federal Direct Loan Programs.

FEDERAL AID PROGRAMS

Federal Pell Grants are awarded to undergraduate students working toward their first Bachelor's Degree. The amount is determined each year by the student's Expected Family Contribution (EFC), the student's enrollment status, and the length of the enrollment period. The U.S. Department of Education has set a lifetime limit to receiving Federal Pell Grant funds to six years (600%) or 12 full-time equivalent semesters. Students may monitor eligibility at www.nslds.ed.gov

The Federal Supplemental Educational Opportunity Grant amounts are awarded to students with highest need who are Pell Grant eligible. Awards range from \$200-\$1,000 per academic year. Students who apply for awards prior to April 1 for Fall and November 1 for Spring will be given priority in awarding this grant.

Federal College Work-Study provides financial assistance through part-time (15 Hours per week) temporary employment either on campus or off campus in a community service position. Students must demonstrate financial need based on the results of the FAFSA. A list of job openings can be found on myDotte.

Federal Direct Student Loans are low-interest loans for students. The student must be enrolled at least half-time and are based on the information reported on the Free Application for Federal Student Aid (FAFSA). The lender is the U.S. Department of Education. KCKCC does not automatically award Federal Direct Student Loans. Students who wish to borrow loan funds must complete the KCKCC Federal Direct Loan Request Form and submit it to the Student Financial Aid Office to be considered for a loan award. Loan application information can be found on myDotte and at the Student Financial Aid Office. Loan awards range from \$100-\$10,500 per academic year.

Federal Direct Parent Loan for Undergraduate Students (PLUS) is a low-interest loan available to a parent of a dependent student who is enrolled in at least half-time. The lender is the U.S. Department of Education. The student must complete the Free Application for Federal Student Aid (FAFSA). The loan award amount is based on the cost of education minus any financial aid the student is awarded. Interest is charged during all enrollment periods. Applications are available in the Student Financial Aid Office.

The Bureau of Indian Affairs Grant is awarded to American Indians who demonstrate financial need and academic progress. Additional information and application materials are available through the area agency office holding records of tribal membership.

State of Kansas Financial Aid Programs are for residents of the State of Kansas. Residents may be eligible for scholarship and grant funds awarded by the State of Kansas. Information about the various state awards can be found at www.kansasregents.org/financial_aid.

SATISFACTORY ACADEMIC PROGRESS POLICY FOR FEDERAL STUDENT AID RECIPIENTS

Federal regulations mandate that a student must be making “satisfactory academic progress” toward earning a certificate or associates degree in order to receive federal financial aid. All recipients of federal financial aid programs, which include Federal Pell and SEOG Grants, Federal Direct Loans and Federal Work-Study funds are subject to these standards for renewal of financial aid eligibility. To comply with this regulation, KCKCC has established the following standards of satisfactory academic progress:

Satisfactory academic progress evaluation is based on reviewing all KCKCC and transfer credit hours as it appears on the student’s official academic transcript at the time of the review. Progress will be reviewed at the end of each enrollment period (Fall, Spring, and Summer) in which the student received federal financial aid. The minimum standards of satisfactory academic progress are evaluated using the following criteria:

Grade Point Average (GPA): 2.0 minimum

Students must maintain a minimum 2.0 cumulative GPA based on the total number of credit hours attempted. KCKCC and transfer hours are considered.

Percentage of Completion: 66% minimum

Students must successfully complete 66% of all credit hours attempted as listed on the student’s academic transcript at KCKCC. Grades of A, B, C, D, P, CR will be considered as successful completion of coursework. Remedial coursework will also be included in the hours counted as attempted.

Courses in which students receive a grade of “F”, “I”, “W”, “MP” or “WA” will be counted as hours attempted, but not completed. Of these grades, the “F” is the only one included in the calculation of the cumulative GPA. If course work is not completed within a year’s time, the grade of “I” will change to a grade of “F”.

Credit Hour Limit: 97 Attempted Hours Maximum

Students who have attempted more than 97 credit hours (including KCKCC and transfer credit hours) will not be eligible to receive federal financial aid. This includes all enrollment periods whether or not federal aid was requested or received. Students reaching this maximum attempted credit hour total **will not be given a “warning” semester** to continue to receive federal financial aid.

FINANCIAL AID WARNING

Students who are deficient in either percentage of hours completed and/or cumulative grade points average will automatically be placed on Financial Aid Warning for the next enrollment period. During the next enrollment period, the student may continue to receive financial assistance during the warning period. No appeal or other action is required. At the end of a warning semester, the student's academic progress will be reviewed again. At that time, one of the following actions will occur:

- If standards have been met, the student will be reinstated back to satisfactory academic progress standing.
- If the student is not yet meeting the minimum standards of progress but did complete a minimum of 66% of all attempted hours for the enrollment period with grades of "C" or above, the "warning" status will continue for the next enrollment period.

If neither of the preceding terms is met, the student will be placed on Financial Aid Exclusion.

FINANCIAL AID EXCLUSION

Students on exclusion may not receive any additional federal aid (Pell Grant, FSEOG, Federal Work-Study or Federal Direct Loans) to attend KCKCC. Continuation of coursework at KCKCC will be at the expense of the student. All federal aid awarded to the student will be cancelled. Students on Financial Aid Exclusion will be denied federal financial assistance at KCKCC until one of the following occurs:

- The student meets the minimum standards of satisfactory progress after transfer credit hours are posted on the student's academic record. The student must contact the Student Financial Aid Office with a written request to review academic progress after transfer credit has been posted.
- The student completes all attempted hours (minimum of 6 hours), which the student pays for and earns a grade of "C" or better, with a cumulative GPA of at least 2.0. The student should contact the Student Financial Aid Office with a written request to review academic progress.
- The student files an appeal and the appeal is approved. Students with an approved appeal will be placed on a Financial Aid Probation status.

EXCLUSION APPEAL PROCESS

Students may appeal their satisfactory progress status by completing and submitting a written appeal form to the KCKCC Student Financial Aid Office. **The appeal form is available at the KCKCC Student Financial Aid Office, Pioneer Center, or Technical Education Center and is available on myDotte.** The Appeal form must be submitted with appropriate documentation and include an explanation of unusual circumstances which have affected the student's academic performance. Additionally, the appeals process requires that the student schedule an appointment with an academic advisor to draw up a degree plan to be submitted with the appeal form.

Appeals must be submitted to the Student Financial Aid Office prior to the deadline date printed on the appeal form.

Appeals are reviewed by the KCKCC Satisfactory Academic Progress Appeal Committee. If the appeal is approved, the student's financial aid status will be changed to a "probation" status. Students on "probation" may receive federal student aid for their next enrollment period. The decision of the KCKCC Satisfactory Academic Progress Appeal Committee is final. If the appeal is denied, the student will remain ineligible for federal financial aid.

FINANCIAL AID PROBATION

During a "Financial Aid Probation" semester, the student must comply with the specific terms and conditions that the KCKCC Satisfactory Academic Progress Appeal Committee mandated as a condition of an approved appeal. Federal aid may be received during this semester.

At the conclusion of a "probation" semester, the student must complete all enrolled credit hours with grades of "C" or better or be meeting the requirements of the student's academic plan in order to qualify for further federal financial aid.

Students meeting these standards will be placed on a “Financial Aid Warning” status and continue to be eligible to receive federal financial aid.

Students who do not meet standards during a “probation” semester will no longer be eligible to receive federal financial aid at KCKCC. An appeal will not be considered.

INSTITUTIONAL FINANCIAL AID

College Funded Work-Study

College funded work-study is part-time temporary employment (15 hours per week) on campus designed for students not eligible for federal assistance. Students must complete the Free Application for Federal Student Aid (FAFSA) as part of the application process. A list of job openings can be found on myDotte.

Performance Grants

Outstanding performance in the areas of athletics, music, visual art/digital design, debate/forensics and theatre/drama are recognized at KCKCC by awarding students a performance grant. Faculty and coaches from these various departments set the criteria and select the students for awards. Students should contact the awarding department for additional information. Inquiries should be made in advance of the academic semester in which students wish to enroll.

KCKCC Foundation Scholarships

The primary purpose of the KCKCC Foundation is to raise, manage, and distribute funds for the students at Kansas City Kansas Community College in the form of scholarships.

The Foundation awards scholarships each year ranging from \$500-\$1500 to assist with the payment of tuition and fees, and based on scholarship criteria. Applications are available in the Foundation office, Math/Science Building Room 3500 or online at www.kckcc.edu/foundation.scholarships. The Foundation provides scholarships for tuition, fees and books according to the scholarship criteria. The following **must** be completed to be considered for a scholarship:

- Apply for admission at www.kckcc.edu.
- Complete the KCKCC Foundation Scholarship Application Form and attach all required documents.
- High school seniors please submit a photocopy of your most recent transcript.
- Submit official 8th semester high school, college, or GED academic transcript to KCKCC admission office.
- Submit one, (1) page, double spaced application essay to the KCKCC Foundation detailing your degree plan, career aspirations and how a scholarship will assist in achieving goals.

A **minimum** cumulative GPA requirement of 3.0 is required for most scholarships.

Preference will be given to Wyandotte and Leavenworth county students for most scholarships.
