

**KCKCC COVID-19
Contact Notification Opt-Out Form**

In Kansas, a person who may have been exposed to an infectious or contagious disease by being within close proximity of an infected person is known as a contact. For COVID-19 contacts, Kansas law (L.2020 Special Session, Ch. 1, Section 16 (h)) allows Kansas City Kansas Community College to share contact information when we become aware of a confirmed case involving COVID-19 if the contact consents.

For the safety of our academic community, we have adopted guidelines that your use of and presence at our facilities as students, faculty and staff is your consent to our release of contact information to public health authorities.

Your contact information will be provided to the local or state health agency if there is a known positive COVID-19 case confirmed at KCKCC. If you do not want to be notified that you may have been exposed to a person that has tested positive for COVID-19, please sign this form and return it to the Office of Student Affairs, Upper Jewell Room 3356 or by email at Student_Affairs@kckcc.edu. If we do not have a copy of this form on file, we will assume that you give permission for your name, address, and telephone number to be given to the state or local health agency so that you can be contacted.

Please call the Office of Student Affairs at 913-288-7618 or email Student_Affairs@kckcc.edu if you have any questions regarding this consent.
