

## **Fall**

Cynthia Bird

**Poetry:** 3rd Place Winner of 3rd Annual Creative Writing Contest  
Kansas City Kansas Community College

---

Fall bring me a quiet afternoon  
Wind echo the noise of dry crackling leaves under my feet  
Sun bring fire to the tree tops of autumn  
Morning remind the earth of the stillness to come in winter's slumber  
Stars remember the summer's sultry heat  
Moon guide us through the stillness  
Stone teach us patience until spring.
