

Addendum No 1
Issued October 16, 2023
Video Board for Athletics - RFP 23-019

- Q1. Is the pre-bid meeting mandatory?
A1. No. The pre-bid meeting on October 18, 2023 is provided only as an option for vendors to view the space.
- Q2. Do you want game time included on the shot clocks?
A2. Not necessary.
- Q3. What color digits on the shot clocks (and game time if included).
A3. Red.
- Q4. What type of controller for the scoring/timing function of videoboard? Shot clock control, game time control, score input, stats input.
A4. Standard scoreboard control box with toggle switches for the shot clock and game clock. Will need at least one back up for both the box and toggle switches.
- Q5. How many pre-designed RTD's?
A5. Two (2). Volleyball and Basketball.
- Q6. How many content frames are requested?
A6. A minimum of 25 animations that can be used for either volleyball or basketball.
- Q7. How many different content frames for advertisers?
A7. A minimum of 10.
- Q8. How many scoring layouts and sport specific layouts required?
A8. At least three layouts for each - volleyball and basketball.
- Q9. Any fixed digit scoreboards included?
A9. No.
- Q10. Any locker room clocks needed?
A10. They can be included as an option, but locker room clocks are not part of the bid.

Q11. Trumpet horn for scoring system vs buzzer?

A11. Either is acceptable.

Q12. Will you provide and pull new data cable to scorer's table area courtside?

A12. Yes.

Q13. Will you provide necessary power for score table as part of the above question?

A13. Yes.

Q14. Do you need the ability to display game information on video production broadcast?

A14. Yes.
