

## **Addendum #1 - RFP 23-001 Baseball Turf**

Issued Wednesday, February 22, 2023

Revision to specifications for the turf, Section 2, 2.3 and Section 4, 4.2

### **SCOPE OF SERVICES/PROPOSAL REQUIREMENTS**

1. Question: What is the desired performance spec for the turf?

Specifications for the turf include the following provisions: 2.2 (F) – specific brands will be permitted as listed in this Section made specifically for baseball play

2.3 (A) – synthetic turf must meet NCAA standards

4.2 A (4) – turf specified by vendors must have been used at all levels including professional and collegiate levels of baseball for at least 3 years (provide specific locations under experience)

Bidders are able to provide multiple turf options as part of the bid proposal to be considered so long as all specifications in the RFP are met.

2. Question: Who is performing the current repairs?

Fix a Field is doing the current repairs.
