Upon the Professional Employee's return to duty, he/she shall submit to the Vice President of Academic Affairs, the President or the professional employee's Dean, a full written report on sabbatical leave regarding the use of sabbatical leave and/or record of his/her activities during the period of the leave.

2. Time Limits. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing and signed by both parties. Time limits will not become effective during the period that the administrator is either on sick leave or on professional leave conducting college business. The time limit will commence upon the administrator's return to campus.

If, on levels one through four, the grievant and/or his/her representative fails to advance the grievance in a timely manner, the grievance shall be terminated.
5. If the Board of Trustees does not present a written decision within the time allotted after the grievance hearing, such failure to act shall be an admission that the grievance was justified and the aggrieved person shall receive the remedy he/she is seeking.

7. Decisions rendered at Levels Two through Four of the grievance procedure will be in writing setting forth the decision and the reasons therefore and will be transmitted promptly to all parties in interest and to the Association or its designee.

Any employee whose appearance in such investigations, meetings, or hearings as a witness is necessary will be accorded the same right.
9. All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.

The 182-day Professional Employee will use the Academic Calendar beginning with the first faculty contract day until the May graduation date.

The 212-day Professional Employee whose primary responsibilities include teaching courses shall be required to work no more than 212 days between July 1 to June 30th. The 212-day Professional Employee's normal workload shall be 12-18 teaching equivalents per semester, with a normal workload maximum of 30 teaching equivalents in the two-semester year. The 212-day teaching Professional Employee will use the Academic Calendar as the first 182 days of the 212 days. For the remaining 30 days of scheduled employment, the Professional Employee shall work with their immediate supervisor to determine an appropriate work schedule.

The 212-day Professional Employee who is required to teach courses over the summer semester will follow the Academic Calendar for the summer session. The 212-day Professional Employee (teaching) who does not have required summer course responsibilities shall work with their immediate supervisor to schedule the remaining 30 days of an appropriate work schedule.

The 212-day Professional Employee (teaching) shall schedule a minimum of 21 work hours over at least three (3) days each week to occur at a KCKCC physical location (other than online or virtual) as determined by their immediate supervisor.

Professional Employees are required to provide 10 (ten) hours of service to the College each week. The Professional Employee and their supervisor will determine the schedule for these hours.

These service hours must be distributed over at least three (3) days, as follows:

- Six (6) scheduled hours for student office hours
- Two (2) scheduled hours for service to students and/or the College
- Two (2) unscheduled hours for service to students and/ or the College

Student Office Hours

Professional Employees teaching at locations other than the main campus may hold their student office hours at their instructional sites for the benefit of the students. Those teaching online courses must conduct at least 50% of their required service hours at a KCKCC location.

Maintaining the scheduled student office hours should be a priority. However, these hours shall not prevent the Professional Employee's participation in campus-based activities. In the event a Professional Employee wishes to participate in a campus-based activity that requires them to miss their scheduled office hours, they should inform their supervisor and students.

Service to Students and/or the College

Examples of service to the College include, but are not limited to, serving on search committees, engaging in relevant community service, conducting peer observations, providing additional office hours for students, and attending meetings related to the Professional Employee's job.

Additional Service Hours

For every three (3) semester hours, or fraction thereof, above 15, Professional Employees are required to provide one (1) additional service hour per week. Those who regularly travel or supervise student performances for their assigned duties may work with their supervisor to schedule these hours to best meet student needs.

Unless otherwise indicated in the paragraphs below, total semester load for Professional Employees teaching combined lecture and laboratory courses will be calculated in the following way. The load for the Professional Employee for the lecture portion of a course will be one to one. The load for the Professional Employee for the lab portion of a class will be calculated at 0.7 times the contact hours for the lab portion of the course. The contact hours for the lecture portion of the class will be the same as the credit hour designation for the lecture portion of the course. The contact hours for the lab portion of a class will be two times the number of credit hours for the lab portion of the course.

For example, a 3-credit hour course that is 1 credit hour of lecture and 2 credit hours of lab, will meet 1 hour per week over a 16-week period for the lecture portion and 4 hours per week for 16 weeks for the lab. The Professional Employee will receive 1 hour of load for the lecture portion and 2.8 hours of load for the lab portion (4 hours per week * 0.7) for a total load of 3.8 for the 3-credit hour class.

Each credit hour of composition courses shall be counted as 1.25 credit hours in the computation of the workload of the Professional Employee.

Normal full-time workload for the Nursing Professional Employees shall consist of up to fifteen (15) contact hours of didactic and clinical instruction

(institution/simulation/community setting) with student groups, in addition to at least ten (10) clock hours per week of service hours as previously described. Any exception to this workload must be mutually agreed to by the Professional Employee, the Dean of Health Professions and the Vice President of Academic Affairs.

Teaching load for professional employees who teach math science and nursing courses shall be calculated as one (1) hour equivalent per contact hour.

Teaching load for professional employees who teach ARTS and DIGI studio courses shall be calculated as one (1) hour equivalent per contact hour.

Contact hours which cannot be specifically designated as semester credit hours shall be calculated on the formula for credit equivalent (C.E.) as follows: $C.E. = 0.7$ (contact hours minus credit hours). Teaching load will be credit hours plus credit equivalent (C.E.) hours. Those contact hours in excess of credit hours plus credit equivalents (C.E.) shall be considered as being office hours for that Professional Employee. Any teaching that cannot be designated as contact hours or credit hours shall be decided by agreement between the Division Dean and the Professional Employee.

Unless a waiver is granted, the minimum class size is 10 students. For auditioned ensembles, career and technical classes that lead to an AAS or certificate, and corequisite developmental education classes, the minimum class size is 8 students.

The Vice President of Academic Affairs will have discretion to allow classes with less than the minimum number of students to be taught. No class that is allowed to be taught will be subject to proration. The Vice President of Academic Affairs will collaborate with Deans and Department Coordinators and work closely with them in the preparation of a teaching schedule that meets the needs of the College's students and its service areas.

The maximum class size for any developmental education course at KCKCC will be 16.

The 212-day Professional Employee shall be required to work no more than 212 days during the July 1 - June 30 contract year. 9. Benefits

A paid health and hospitalization program, dental insurance, and a thirty-five thousand dollars (\$35,000) term life insurance policy will be provided by the Board to all Professional Employees. This fringe benefit is in addition to salary applicable to Professional Employees as determined by the salary schedule.

The employee contribution for dental benefits will be \$10.00 per month. The employee contribution for health benefits through December 2022 will be \$25.00 per month. Employee contributions shall be applied to the Employee's salary before federal and state income tax, FICA tax, and KPERS are deducted.

Future changes to annual health benefit costs exceeding a ten percent (10%) increase to the employee's contribution will require the Contract be re-opened for negotiation on this one matter. Future changes to the employee's contribution for Professional Employees on "Employee Only" plans will be calculated at the predetermined 2019 base rate for that plan; i.e. PPO = \$125, HPDP = \$61, I-35 PPO = \$36, and I-35HPDP = \$25. Any increase made to the employee contributions to the "Employee Only" plans will be proportionate to the College's increase.
