100th COMMENCEMENT CEREMONY

May 22, 2025

The seal of the Kansas City Kansas Community College was adopted for the school in 1966. The torch depicts the flame of scholarship, and the pen represents communication between teacher, student, and the world. The open pages represent knowledge and learning, and the stalk of wheat represents Kansas, the breadbasket of the world. Two horns appear at the top of the torch, symbolizing the school as a two-year college.

Dr. Greg Mosier

To the Class of 2025:

On behalf of the faculty, staff, students, alumni and the Board of Trustees of Kansas City Kansas Community College (KCKCC), it is my privilege to congratulate you on your academic achievement! Today is a very important day. It represents the hard work you have done to earn the degree or certificate you are about to receive. The entire KCKCC community celebrates with you on this special occasion.

As you celebrate your accomplishments, I urge you to reflect and think of those special individuals in your life who were dedicated to and supported you in your efforts to sit where you are today. Take the time to tell them how much you appreciate their support and thank them for their role in helping you reach this special milestone in your life.

During your time at KCKCC, the faculty and staff have prepared you well with the knowledge and skills to succeed as you begin your next journey. They have encouraged and challenged you to be the best you can be. Continue to challenge yourself, always striving to do better, and never give up in the face of adversity, and there is nothing you cannot achieve.

Savor the excitement and memories of today! And always remember the good friends and good memories you made while being a KCKCC Blue Devil. With this commitment, you join the ranks of thousands of proud KCKCC alumni. Welcome!! As an alum, you remain a part of the Blue Devil family. We invite you to come back and support college activities and events that will make KCKCC an excellent place for generations to come.

I wish you the very best in all your endeavors!

Sincerely,

A handwritten signature in blue ink that reads "Greg Mosier". The signature is fluid and cursive, with a long, sweeping underline.

Academic Dress

Academic Dress of robe, hood and cap has an ecclesiastical origin since learning was largely confined to the church when universities were founded. It seems likely that gowns were necessary for warmth in unheated buildings used by medieval scholars. Hoods were used to cover heads until hoods were superseded for that purpose by the skull cap. The cap now used has replaced the skull cap.

The cap, of black serge or broadcloth, is worn for all degrees, but the doctorate is entitled to a gold tassel. The cap of a doctor may be of velvet. Gowns are generally black, but can be of school colors. The bachelor's gown is characterized by long, pointed sleeves. The master's gown has closed sleeves, square at the end, the arm coming through a slit at the elbow. The doctor's gown is an elaborate costume marked by three velvet panels down the front and around the neck, as well as three bars of the same material on the bell shaped sleeves. It is cut much fuller than other gowns, and they are sometimes ornamental in color.

Most hoods are black. Of all the components of the costume, the hood bears the heaviest symbolic burden. Hoods vary in shape, size and length. The level of degree is shown by the size of the hood and the width of the velvet trimming. The doctor's hood has a different shape.

Each hood has a silk, satin or velvet border upon the outside, three to five inches wide, representing the field from which the wearer graduated. The trimming extends all around the hood, on the exposed edge. To make a more comfortable fit, it is allowed to narrow around the neck band. Some examples of colors used are as follows.

Arts, Letter, Humanities	White
Business, Accountancy	Drab
Economics	Copper
Education	Light Blue
Fine Arts	Brown
Journalism	Crimson
Library Science	Lemon
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Philosophy	Dark Blue
Physical Education	Sage Green
Science	Golden Yellow
Social Science	Cream
Theology	Scarlet

Each hood is lined with silk colors representative of the university granting the degree. Some examples of colors used in the lining of the hood are as follows:

School	Lining	Chevron
University of Kansas	Crimson	Blue
Kansas State University	Purple	White
Pittsburg State University	Red	Gold
Emporia State University	Gold	Black
Fort Hays State University	Gold	Black
Wichita State University	Black	Gold
University of Missouri-Columbia	Gold	Black
University of Missouri-Kansas City	Gold	Royal
Avila College	Purple	Gold
Northwest Missouri State University	Kelly	White
Missouri Western University	Black	Gold
Washburn University	Blue	Purple
