

FAST FACTS 2018-19 ▶

Kansas City Kansas Community College, the third largest community college in Kansas by enrollment, is a centrally located public 2-year institution in northeast Kansas that is committed to students and strives to ensure all students have a positive and successful post-secondary experience. KCKCC's three locations provide endless learning opportunities.

WHAT WE DO ▶

Kansas City Kansas Community College is devoted to workforce development. Academically, KCKCC offers four Associate degrees, many 1-year programs and Certificate programs. Students may enroll in pre-professional programs and transfer to a four-year university or college, or earn a 1-year Certificate or 2-year degree and enter the workforce.
