The purpose of this report is to analyze post-degree success of KCKCC students.

The subsequent enrollment of KCKCC students who have received a certificate or associates degree from year 2014 through 2019 was examined using National Clearing House (NCH) data.

A total of **5,337** student records were sent to NCH (excluding those with no social security numbers). Of this, NCH reported back with **2,418** matches with a **45%** found rate. Please note, no-matches could be found because of no subsequent enrollment, blocked student's records and institutions that do not report to NCH etc.

The following are the top university / colleges KCKCC students subsequently enrolled after receiving a degree from KCKCC. The list is in the order of highest enrollment.

1. University of Kansas
2. University of Missouri – Kansas City
3. Johnson County Community College
4. Park University
5. Ottawa University – Kansas City
6. MidAmerica Nazarene University
7. Kansas State University
