

KCKCC Approves Provider for Childcare Center

Kansas City Kansas Community College is proud to announce that Little Leaders of KCK has been chosen as the operator of the childcare center located on KCKCC's Main Campus.

Little Leaders of KCK
Learning, Caring, Growing

The KCKCC Board of Trustees approved the new operator at its June 2019 meeting. Little Leaders of KCK is owned by Christi Eaton and Kim Maples. Eaton, executive director of Little Leaders, has a bachelor's degree in early childhood and elementary education as well as a master's degree in teaching and leadership. She received National Board Certification in 2006. Maples, executive operating director, has a bachelor's degree in elementary education and a master's degree in curriculum and instruction. Both have more than 45 years of combined experience in education including successfully operating a childcare center for 13 years. Little Leaders of KCK will operate the center on KCKCC's Main Campus next to Midwest Credit Union.

The center is expected to open Sept. 3 with spots available for children 12 months to 6-years-old. This is a tentative start date dependent on the completion of construction at the center as well as state licensing. A discount will be available for KCKCC students, faculty and staff. Children at the center will spend half of the day engaged in educational opportunities in the areas of literacy, math, self-help and social skills. The other half will be focused on arts and crafts, music and movement, art and music appreciation and hands-on science experiments. The idea is to promote child development while getting them ready to enter elementary school.

KCKCC Volunteers at Heart of America Stand Down Event

KCKCC faculty, staff and students volunteered June 7 at the Heart of America Stand Down for Veteran's event.

Heart of America Stand Down brings together hundreds of community service groups and organizations from the Kansas City area to provide assistance to help rid the

barriers that prevent homeless veterans from re-entering society as engaged, productive citizens, living fulfilling lives. Assistance offered includes medical, substance abuse, legal issues, taxes, housing and utility assistance, haircuts, family counseling, spiritual, mentorships, educational and employment opportunities.

Thank you to the KCKCC Veterans Center for organizing the team. Proudly serving those who serve!

Burgette Named KCKCC Men's Basketball Coach

No sooner than he learned he would be the new men's basketball coach at KCKCC, the recruiting began for Brandon Burgette.

A graduate of Lee's Summit North High School, Burgette brings nine years of coaching experience to the position, the last seven at two of the top NJCAA programs in the nation - four at Indian Hills Community College in Ottumwa, Iowa and the last three at Johnson County Community College. A standout player at Southwest Baptist in Bolivar, Mo., Burgette was a student assistant at Southwest for two years. He also played professionally for two years with the Springfield Thrill of the United States Basketball and for the past three years, has directed his own basketball training service, BreedBallers.

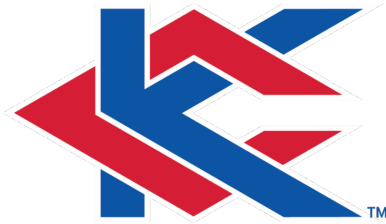

Burgette would like nothing better than to add a men's national championship to the two won in the past four years by the KCKCC women's basketball team. In his two years as a player at Southwest Baptist, the Bearcats won two MIAA titles and two NCAA DII national tournament appearances. Averaging 9.8 points in his career, he was voted Sixth Man of the Year in 2009. In his four years as an assistant at Indian Hills, the team made three trips to the NJCAA DI national

tournament and finished runner-up in 2013-14.

Burgette earned his bachelor's degree in community recreation from Southwest Baptist and a master's degree in sports marketing from the University of Central Missouri. He and his life, Briana, have a son, Brayden, and live in Lee's Summit.
