

## **Policy: 2.11**

### **Course Repetition**

---

#### **Purpose**

To describe which KCKCC courses may be repeated.

#### **Policy Statement**

A student who receives a C, D, or F in any college-level course may repeat the course. When a course is repeated, the newly earned grade cancels, but does not remove, the previous grade recorded on the transcript. The new grade is used to figure the cumulative grade-point average. Under extenuating circumstances, students may petition the Registrar to repeat a course with an A or a B grade. Developmental courses may be repeated regardless of the grade obtained.

Board Approved: 10/19/2021
