evaluation-placement.html

## **COURSE DESCRIPTION**

This course is a comprehensive introduction to the principles of selling and the role of the professional salesperson in the marketing process. It includes the characteristics and skills necessary for success in sales; techniques for identifying sales prospects and qualifying buyers; the importance of relationship building, product knowledge, and post-sales service in long-term, consultative-style selling; territory and sales management; and selling in the global marketplace.

Effective Spring 2005, if you are a Business major, you must have a "C" or better in all business courses to meet the requirements of the business degree program.

# PROGRAM LEARNING OUTCOMES

## AAS Marketing

- Explain concepts related to the four Ps of marketing (Price, Product, Promotion, and Place) and demonstrate how they contribute to the overall operation of an organization.
- 2. Analyze, organize, and execute basic business and marketing strategies.
- 3. Describe how internal and external forces impact the various departments within an organization to include operations, finance, marketing, production and human resources.
- 4. Apply marketing principles to business and marketing issues.
