

KCKCC is a family.

We are brought together by our passion to see our students succeed. Your contribution – no matter how big or small – says you want to help our students achieve their goals and are part of the KCKCC family. The Foundation invites all employees to give in a gratifying and simple way to support KCKCC students.

FAQ's

What is the KCKCC Family Fund?

The KCKCC Family Fund is an annual giving campaign the Foundation provides for all employees to have the opportunity to give in a gratifying and simple way to support student scholarships, equipment, or Centennial Path Capital Campaign.

Why should I participate in the KCKCC Family Fund?

Every day at KCKCC, each one of us shares our talent, expertise, ideas, and skills to make a difference in our students' lives. The faculty and staff are the core of the college, the heart of our family. Participating in the KCKCC Family Fund is another great way to show students you support their college, their education, and goals. Joining the fund also helps the college with grant applications that require information on the percentage of faculty and staff who contribute back to their institutions. Joining the KCKCC Family Fund is a vote of confidence in your students and your college.

Who does the KCKCC Family Fund support?

"I would like to thank The KCKCC Foundation and the generous donors of the Family Fund Scholarship for selecting me for this scholarship. I continue to believe that this is an investment in mine and my family's future as I work toward my ultimate goal of being in both management and in a technological career field. This generous award makes that goal possible. Thank you!"

How much should I give?

What you choose to give is completely up to you, the goal of the KCKCC Family Fund is participation. The easiest way to give is to have it taken out through payroll deduction. You may also make a donation with check, cash, or credit card in our office. Please fill out the contribution form and contact the Foundation with any questions. We do ask that any payroll deductions be a minimum of \$5.00 per pay period. Here is a table to break down what your annual gift could equal based on a per-pay period deduction:

Your Gift	Bi-Monthly Deduction
\$120	\$5.00
\$250	\$10.42
\$360	\$15.00
\$500	\$20.84
\$750	\$31.25
\$1,000	\$41.67

"The scholarships our Foundation provides can be the difference between one of our students completing or not completing their field of study. The difference between making a sustainable wage or not. The difference between having a fulfilling career or not. The difference between taking care of their families financially or not. My family gives because we want to eliminate the 'nots' in our community. One student at a time!!!"
